## MESSAGE FROM THE COMMODORE

Welcome skippers, crew, families and friends to HYC's Annual Awards Night!

Another year of racing has come to a successful close. You all have made an investment into doing something that you really enjoy. Whether that be on the Race Committee signal boat, a mark or safety boat, tabulating the scoring results in the Race Committee office or being a member of a crew on an Ocean PHRF or One Design class boat, we all share in the joy and excitement of racing in one form or another.

We hope you enjoy this evening of recognizing the efforts and rewards of all involved in racing activities and sharing your stories with new and old friends.

As Scottish author Kenneth Grahame stated, *There is nothing – absolutely nothing – half so much worth doing as simply messing about in boats.*

Thanks for participating this year and we look forward to seeing you in 2019.

*Bill Abbott, Commodore*

## **LASER FLEET SEASON SUMMARY**

It may be noticed that the laser fleet is not awarding many trophies this season. The fleet determined that weekly recognition was a better way to recognize more of the 25 members who sailed regularly. It also built camaraderie between sailors and race committee following each day's activities. At least half of the registered laser sailors received a glass inscribed with the fleet name and a design crafted by Peter Hallemeier's mother. This format was so well received that the fleet has already decided to continue it for 2019. It is important to acknowledge that the fleet is made up of men and women, young and older, standard and radial, HYC members and visiting yachtsmen. The sailing season culminated with the very successful Laser Oktoberfest, with 36 sailors registered, including Olympic competitors and hopefuls and at least 11 of our own. This is becoming a highly recognized regional event and is an example of great sailing and great fun! A celebration was held at Peri Wentworth's home on October 20, pot luck style. This is a tradition that will continue next year and hopefully for years to come.

## TEAM RACING

Hyannis Yacht Club continues to build the team racing program under the leadership of Amanda Donohue and Melissa St. Onge. The special Saturday events like Independence Day and Chix Only have become annual events. The Independence Day event had a 2x2 format and Chix only had 26 lady sailors compete in very brisk conditions! Thanks to the Joe Zavatsky and Roger Newson team for providing the Chix with liquid refreshments! The Summer Send off was cancelled due to poor weather. The plan was to invite Stone Horse Yacht Club, Bristol Rhode Island and the Mystic Mudheads to return to a competitive round robin format. Plans include continuing to build this team race format in 2019. Also, a special shout out goes to the Hyannis Yacht Club staff for preparing the boats to sail and for supporting the efforts of strengthening team racing in Lewis Bay.
